

Proposal for Elective Courses to Satisfy the Entrepreneurship Option

The Entrepreneurship Option requires the student to take 12 elective credits. The 12 elective credits must be approved by the Entrepreneurship Option Chair. To receive approval, please fill out the information on the back and return to Professor Stearns.

1. Please do not hand deliver the form to the Undergraduate Office. It must be sent to the Office by the Option Coordinator.
 2. Courses you select for the Entrepreneurship option may not double count for both electives and upper division GE.
 3. Please have the program director initial any changes made on the form.
 4. All elective courses must be upper division or a number that is greater than 100.

Statement of Justification (*attach separate sheet if necessary*)

The Statement of Justification explains how the elective courses, taken together, strengthens your study of entrepreneurship and will promote your efforts to succeed as an entrepreneur. Do not write a description of each course. Write your vision of what you are trying to accomplish. Then list the courses that will help you achieve your vision. No more than one sentence explaining each course. Courses taken prior to the approval of this application will not count towards the entrepreneurship option electives. The Statement of Justification must be typed and without errors.
